item	notes
<b>NOTE:</b>	See the amended drawing set in reference to below changes
1.	<b>Section cross references</b> – There was an error within the cross referencing between the plans and sections. This is now resolved
2.	<b>Roof plan with soffits</b> – the extent of the soffits on the new roof areas are now indicated on the roof plans
3.	<b>Skylight inconsistencies</b> – there were several inconsistencies between the existing/demolition plan and proposed plan where demolished and proposed skylights did not match up. This is now resolved
